Grosse Ile Bridge Company's Application and Rules for Request to Approve Guest Passes for Special Events

The Grosse Ile Bridge Company (GIBC) recognizes that some customers wish to produce pre-paid Guest Passes for crossing the Toll Bridge that can be included in invitations for special events (e.g., weddings, charity golf outing, large parties, etc.). We want to help you to make your special event on the Island a tremendous success.

The GIBC will attempt to accommodate all requests; however, we ask customers to understand that the Wayne County Bridge closure period has greatly increased our administrative burdens for normal operations. In the case that the administrative burdens of processing Guest Pass requests become too great, the GIBC reserves the right to suspend, or end, the acceptance of applications without advance notice.

As a result, the GIBC will only consider requests for Guest Passes that meet the following rules and design criteria:

1. Rules:

- The GIBC's **Application for Guest Passes** must be filled out, signed and submitted to the GIBC at least one month in advance of the event date. A full payment by credit card for the requested number of Guest Passes must be submitted with the application. Your credit card will not be processed until the GIBC notifies you by phone or e-mail that your Application has been approved.

Required payments are calculated by multiplying the number of guest Passes requested by the round-trip user fee toll rate of \$6 (for example, 100 Guest Passes requested, 100 x \$6 = \$600). This cost would be charged to your credit card.

- After the event, the GIBC will calculate the passes turned in for event, return them to the Event sponsor. If the number of Guest Passes collected at the toll plaza is lower than the number for which you paid, you will receive a refund within one month of the date of the event.

If the number of Guest Passes collected exceeds the number for which you paid, you will receive an invoice and the additional cost will be charge to your credit card that you have previously provided. It is important to understand that the customer is 100% responsible for authorized, or unauthorized, duplication of your Guest Passes. The GIBC assumes no responsibility or liability for determining the validity of Guest Passes submitted at the toll plaza.

- Guest Passes can only be used in the attended lane at the toll plaza for the Toll Bridge
- Guest Passes are only good for the day or days, of the event.
- The GIBC will not design or produce Guest Passes. The customer is entirely responsible for designing and producing them according to the GIBC design criteria.

2. Design Criteria:

- Guest Passes must not be larger than 4"x 6" and cannot be smaller than 2"x3" (i.e., standard business card size)
- Guest Passes must include the event name and date, or dates, on the front side.
- Guest passes must not have objects glued, stapled or taped to them (e.g., decorative stickers, glitter, ribbons, etc....)
- Guest Passes must include the following message on the front side: **"Please use the attended lane Only"**.
